School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Contact Information (School Year 2017-18)

School Contact Information	
School Name	Crocker Middle
Street	2600 Ralston Ave
City, State, Zip	Hillsborough, Ca, 94010-6544

E-mail Address	aranii@hcsd.k12.ca.us
Web Site	www.hcsd.k12.ca.us

School Description and Mission Statement (School Year 2017-18)

William H. Crocker Middle School is located in the suburban community of Hillsborough on the San Francisco Peninsula. The residents are primarily professional and business executives. One half of Crocker's students come from families in which both parents work outside of the home. The value of education is evidenced by strong parental involvement and participation in the school community. As of October 2016, the student enrollment was 537 students.

Students take three years of English, mathematics, science, social studies, world language, and physical education. In addition, we offer electives in the arts, music, leadership, and technology. Since we believe that we are helping each child to build the foundation for the rest of his/her life, we offer more than strong academic training. Our curriculum includes skills, techniques, and motivation for lifelong learning, excellence, decision making, leadership, and commitment to others. We believe in educating the whole child. Every aspect of our program is designed to build a close, caring community in which every child and every adult is recognized and respected.

We embrace the Essential Outcomes by valuing creativity, curiosity, initiative multidisciplinary thinking, and empathy.

Crocker was named as a California Distinguished School in 1982, 1988, 1992, 1994, 1999, 2003 and 2007. In 1983, 1989, 1995, and 2004, it was selected as an exemplary school by the National Secondary School Recognition Program. It is one of three middle schools in the nation to have been awarded the National Blue Ribbon four times. In 1993, Crocker was recognized by the Royal Swedish Academy of Engineering Sciences for its managerial practices which fostered excellence. Most recently, Crocker Middle School was recognized by the California Business for Education Excellence in 2014. In 2015 Crocker received the Gold Ribbon Award for their efforts around professional learning teams and collaboration.

Student Enrollment by Grade Level (School Year 2016-17)

Grade Level	Number of Students
Grade 6	169
Grade 7	179
Grade 8	190
Total Enrollment	538

Student Enrollment by Group (School Year 2016-17)

Student Group	Percent of Total Enrollment
Black or African American	0.2
American Indian or Alaska Native	0.6
Asian	24.5
Filipino	1.5
Hispanic or Latino	4.1
Native Hawaiian or Pacific Islander	0.2
White	62.6
Two or More Races	6.3
Socioeconomically Disadvantaged	0
English Learners	1.3
Students with Disabilities	13.6
Foster Youth	0

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	38	45		
Without Full Credential	2	1		
Teaching Outside Subject Area of Competence (with full credential)	0	12		

Teacher Misassignments and Vacant Teacher Positions

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	1	1	
Total Teacher Misassignments *	1	0	
Vacant Teacher Positions	0	0	

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: October 2016

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year)				
Year and month of the most recent FIT report: October 2015				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			
Interior: Interior Surfaces	X			
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X			
Electrical: Electrical	X			
Restrooms/Fountains: Restrooms, Sinks/Fountains	X			
Safety: Fire Safety, Hazardous Materials	X			
Structural: Structural Damage, Roofs	X			
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			

Overall Facility Rating (Most Recent Year)

Year and month of the most recent FIT report: October 2015				
Overall Rating	Exemplary	Good	Fair	Poor
		X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	83	81	85	81	48	48
Mathematics (grades 3-8 and 11)	83	77	86	81	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	537	528	98.32	81.25
Male	283	277	97.88	77.98
Female	254	251	98.82	84.86
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	132	130	98.48	86.92
Filipino	--	--	--	--
Hispanic or Latino	23	22	95.65	68.18
Native Hawaiian or Pacific Islander	--	--	--	--
White	334	328	98.2	78.66
Two or More Races	37	37	100	91.89
English Learners	18	16	88.89	62.5
Students with Disabilities	72	70	97.22	31.43

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	537	529	98.51	76.94
Male	283	277	97.88	78.7
Female	254	252	99.21	75
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	132	130	98.48	88.46
Filipino	--	--	--	--
Hispanic or Latino	23	22	95.65	72.73
Native Hawaiian or Pacific Islander	--	--	--	--
White	334	329	98.5	72.04
Two or More Races	37	37	100	83.78
English Learners	18	16	88.89	75
Students with Disabilities	72	71	98.61	29.58

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	95	97	93	93	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
7	16.9	35	39.5

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Opportunities for parental involvement in the district and at the school site are abundant, and our parents have always given generously of their time, attention, and money. Their efforts mean far more than the material benefits they bring; they make our students and teachers feel valued and important. Such feelings contribute directly to our educational excellence.

Every year, parents and other community volunteers contributed thousands of hours directly to Crocker Middle School in the classrooms, in the library, serving on committees, assisting with special projects, and in many other ways. Parent volunteers shelve, check-out and check-in library books. They help with activities and chaperone dances and field trips. Parents as well as community members speak to classes and share their occupational or scientific expertise. Through organizations such as the Parent Group and the School Site Council, parents learn about activities at the school and set goals to raise student achievement and continually improve the school.

At the district level, thousands of additional volunteer hours are given to fund-raising events, sponsored by the Hillsborough Schools Foundation, such as the general campaign, tennis luncheon, dinner dance, and e-Scrip program. The Hillsborough Schools Foundation provides funds annually to the district in order to enhance the already excellent educational programs. These contributions allow us to enrich our student's educational lives, and to be able to continually look for ways to be even better.

Parents and community members have also continuously supported the schools through their votes: In June of 1988 and again in 1992, the community passed parcel tax measures in order to maintain school quality. In November of 2002, the community of Hillsborough passed Measure B, a \$66.8 million dollar school bond measure for the purpose of modernizing, renovating, and adding facilities as needed at our four school sites. Measure B was a Proposition 39 bond requiring a 55% majority to pass. All members of the school community worked hard to inform the voters about the need for the measure. In response, the community showed strong support for our schools by passing the Measure with a 66.45% majority vote.

Parents are kept well informed about the school through the school newsletters, calendars, web pages, parent group meetings, parent education events, as well as parent conferences. Any parent wishing to contribute time, expertise, or money to the schools has ample opportunity, and should start by contacting the school site parent group president or a member of the Hillsborough School's Foundation. Information is also available on the district website:

<http://www.hcsd.k12.ca.us> which has links to all school websites as well as the foundation.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions	0.9	0.4	1.1	0.6	0.3	0.5	3.8	3.7	3.6
Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2017-18)

The Hillsborough City School District inspects all of its facilities, both buildings and grounds, yearly to determine if any major repairs are needed. The District uses a facility inspection tool developed by the State of California's Office of Public School Instruction. Inspection by Buildings and Grounds personnel of the eight emergency facility needs specified in Ed. Code 17592.72c was last completed September 2015. The results of this facility survey are available at the District Office. In addition, the school district maintains a work order process to ensure efficient service and that emergency repairs are given the highest priority. Work orders can be prepared by a staff member, or suggested by a parent. Work orders are prioritized district-wide by the Supervisor of Buildings and Grounds. The district maintenance staff ensures that repairs necessary to keep the schools in good working order are completed in a timely manner.

Currently, all of our schools employ a full-time day custodian and a full-time night cleaning service. All classrooms, staff rooms and all student and staff restrooms are cleaned, and sanitized nightly. Cleaning schedules and duties are monitored regularly by the sites and the maintenance department to ensure safe and clean schools. On November 5, 2002, Hillsborough voters passed a \$66.8 million Proposition 39 bond measure to finance renovation and new construction projects on all four campuses. The District has modernized, renovated, newly constructed and equipped housing to meet the instructional needs of the students. These funds, along with \$2.8 million in State School Facilities funds, were used to upgrade fire, life, safety, and accessibility standards. In addition to facilities, much needed upgrades were made to the District's telephone and voice mail system.

A new two-story building on the Crocker campus opened at the start of the 2009-10 school year. Funded by Measure B bond funds, the building includes a 95-seat science lecture hall, television studio, band room, two computer classrooms, a regular classroom, restrooms, and storage areas. Also completed was the repavement of the black top. Subsequent projects included renovation of the art and multi-purpose rooms, conversion of the old Lecture Hall into a new Science Lab classroom, paving rehabilitation of the driveway and parking lot, conversion of the old band room into a new teaching space, and improvements made to the gymnasium. During the summer of 2014, due to an increased need for teaching space, a leased portable was installed with Developer Fee funds.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2017-18)

Indicator	School	District
Program Improvement Status		
First Year of Program Improvement		
Year in Program Improvement*		
Number of Schools Currently in Program Improvement	N/A	
Percent of Schools Currently in Program Improvement	N/A	

Note: Cells with N/A values do not require data.

Average Class Size and Class Size Distribution (Secondary)

Subject	2014-15				2015-16				2016-17			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	21	8	10		21	7	10		20	7	11	
Mathematics	20	3	3		4	2			2	1		
Science	22	9	7		20	13	5		21	9	8	
Social Science	24	5	10		22	7	9		23	4	12	

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2016-17)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0.0	0.0
Counselor (Social/Behavioral or Career Development)	1.0	N/A
Library Media Teacher (Librarian)	1.0	N/A
Library Media Services Staff (Paraprofessional)	0.0	N/A
Psychologist	0.6	N/A
Social Worker	0.0	N/A
Nurse	0.0	N/A
Speech/Language/Hearing Specialist	1.0	N/A
Resource Specialist	0.0	N/A
Other	0.1	N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2015-16)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	\$16398.3	\$5023.9	\$11374.4	\$94530.4
District	N/A	N/A	\$11058.6	\$95,134
Percent Difference: School Site and District	N/A	N/A		
State	N/A	N/A	\$6,574	\$74,194
Percent Difference: School Site and State	N/A	N/A		

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2016-17)

The district expenditures from the general fund provide high quality educational programs for all students, including special populations such as Special Education and English Learners. All basic educational needs such as instructional materials, personnel, staff development, technology, facilities, and maintenance are adequately funded. Federal and state funds are used appropriately as restricted. Through additional funds supplied through the generosity of our parents and the larger community, we are also able to provide lower class sizes, curriculum specialists, foreign language programs, additional counseling services, and other enhancements to programs such as technology.

Teacher and Administrative Salaries (Fiscal Year 2015-16)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$57,257	\$47,034
Mid-Range Teacher Salary	\$95,942	\$73,126
Highest Teacher Salary	\$127,039	\$91,838
Average Principal Salary (Elementary)	\$159,157	\$116,119
Average Principal Salary (Middle)	\$170,102	\$119,610
Average Principal Salary (High)		\$115,194
Superintendent Salary	\$215,405	\$178,388
Percent of Budget for Teacher Salaries	46%	37%
Percent of Budget for Administrative Salaries	7%	6%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

HIP (Hillsborough Incentive Plan) Program, and through providing support for teachers who wish to become Nationally Board Certified. Individual teachers are encouraged to take classes specific to their subject area in order to ensure they meet the requirements for NCLB certification as highly qualified teachers. Compliancy trainings for certificated and classified staff, such as CPR/First Aid, are held as needed. Specialists are also provided training relevant to their assignments, and training for all involved occurs any time new standards or materials are adopted.

By adding instructional minutes on other days, Thursday afternoons are available 1-2 times a month for both school site and district staff development or collaborative work groups. This is in addition to weekly teacher, grade-level, and/or departmental collaborative time. TOSA's (Teachers On Special Assignment) have been instituted District-wide to provide training for classroom teachers in the area of Technology Integration. Web-advisors and Curriculum Advisors also support the furtherance of school site and district wide goals. The administration and staff maintain a mutual support system, with close communication and strong cooperative planning.

As a learning community we are committed to creating a culture for innovation. We are exploring ways to motivate & inspire students to take initiative be creative, and develop a healthy state of curiosity.
